

# NOTICE

## Location/Area Affected

7771 – Phytotron

Entire building

## Date/Time

October 14 – 15, 2016

5:30 p.m. – 5:00 a.m.

## Equipment/Service

Electrical system outage

## Description

The Facilities Management Department will be de-energizing the power to the above building to relocate the high voltage feeder. There will be no normal or emergency building power during this time. The building will need to be evacuated during the time of this work; only authorized personnel will be allowed in the building. This is in support of the Duke Utilities Operation Work Plan. We apologize for the inconvenience.
