

# NOTICE

## Location/Area Affected

7767 – TUNL Building

Entire building

## Date/Time

October 14 – 16, 2016

5:30 p.m. – 5:00 p.m.

## Equipment/Service

Electrical system outage

The Facilities Management Department will be de-energizing the power to replace the high voltage feeder and equipment to the above building. There will be no normal or emergency building power in the building for three days. The building will need to be evacuated during the time of this work; only authorized personnel will be allowed in the building. This is in support of the Duke Utilities Operation Work Plan. We apologize for the inconvenience.
